**Re: EU Directive on Waste Electrical and Electronic Equipment (WEEE) and EU Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment, RoHS2 RECAST 2011/65/EU, RoHS3 Directive (EU) 2015/863**

Restriction on use of: lead, mercury, hexavalent chromium, polybrominated biphenyl (PBB) and polybrominated diphenyl ether (PBDE) flame retardants, at levels of greater than 0.1%; cadmium, at levels greater than 0.01%; and Pentabromodiphenylether, Octabromodiphenylether, and Decabromodiphenyl oxide, in concentrations higher than 0.1%; and HBCDD, DEHP, BBP, DiBP, DBP in concentrations greater than 0.1% in PolyOne Product(s):

PolyOne Description	PolyOne Product Code
PDHIPS860 HIPS NATURAL	PDHIP:860

Dear Sir or Madam:

This letter responds to your request for information regarding EC Directive Restricted Substances on the above PolyOne Product(s). The following statements are in support of your request.

Based on the information provided to PolyOne by its raw material suppliers and our formulation reviews, we have found that the PolyOne product listed above does not contain RoHS/WEEE substances above listed concentrations and would therefore be in compliance with the European RoHS/WEEE regulation. Please note that we do not routinely test for these materials. We certify that we do not intentionally add or use these materials in the manufacture or handling of the above product, at or above restricted concentrations.

If you have any questions concerning this matter or if we can be of further assistance, please do not hesitate to contact us. Please contact your PolyOne Sales Representative should you need additional product support.

Sincerely,

Tammy Elliott  
Sr. Product Regulatory Specialist

Re: European Union REACH Directive Substances of Very High Concern (SVHC) and PolyOne Corporation Product(s):

PolyOne Description	PolyOne Product Code
PDHIPS860 HIPS NATURAL	PDHIPS860

Dear Sir or Madam:

Thank you for your inquiry regarding the European Union (EU) Directive covering the Registration, Evaluation, Authorization and Restriction of Chemicals (REACH) Candidate List of SVHC Annex XIV materials and the above PolyOne product(s).

Based on the information provided to PolyOne by its raw material suppliers and our formulation reviews, we confirm that the above PolyOne product does not contain SVHC Candidate list Annex XIV materials, nor are any such substances present in the above product above the applicable threshold (0.1%) as updated by the European Chemical Agency (20 June, 2016). The current Candidate list of SVHC substances can be located at <http://echa.europa.eu/candidate-list-table>

Please note we do not routinely test for these materials. We certify that we do not intentionally add or use these materials in the manufacture or handling of the above product.

If you have any questions regarding the above information feel free to contact me directly at the numbers above. Also, additional information regarding REACH is available at the following website: [http://echa.europa.eu/home\\_en.asp](http://echa.europa.eu/home_en.asp)

Sincerely,

Tammy Elliott  
Sr. Product Regulatory Specialist
