CLIPLESS BODY MOUNTING

Stampede's clipless body holds firm no matter how rough the action gets. Heavy duty latches grip the body tightly, but release in just seconds for fast battery swaps. This convenient hidden latching system replaces traditional body clips with reinforced panels to maintain body integrity and resist pull-through damage.

EXTREME HD COMPONENTS

Built to be the ultimate off-road monster truck, Stampede now features factory-installed Extreme Heavy Duty suspension components for game-changing durability. Key components have been redesigned and beefed-up with extra material to ensure Stampede takes even the most brutal punishment in stride.

- EHD C-hubs, axle carriers and steering blocks
- Heavy duty suspension arms
- Titan 12-turn brushed 550 motor
- Chassis-mounted waterproof 2056 steering servo
- Tough fibre-composite chassis
- Monster 4-inches of ground clearance
- Adjustable wheelie bar
- Heavy-duty Magnum 272 metal-gear transmission
- Torque-control slipper clutch
- Planetary gear differential with steel ring gear
- Oil-filled Ultra shocks
- Solid camber links eliminate the need for adjustment
- Moulded body reinforcements
- Pre-glued Talon tyres with foam inserts on stunning 2.8" mirror-chrome All-Star wheels
- 30 mph with 7-cell battery and included optional 21-tooth pinion gear
- Clipless pre-painted body
- Hex hardware

100% FULLY ASSEMBLED

Stampede comes Ready-To-Race out of the box with the TQ 2.4 GHz 2-channel radio system, waterproof XL-5 ESC, and included 8.4 V battery and USB-C fast charger. With over 30 years in the hobby industry, Traxxas goes the extra mile to ensure that your RC experience is easy and fun.
