£329.99

36334-4
BIGFOOT No. 1

BL-2S POWER SYSTEM

BIGFOOT's waterproof BL-2s brushless power system ramps up the fun with more torque, faster acceleration, and less maintenance than comparable brushed power systems. The BL-2s is a model of efficiency and refinement, offering more power than before with the safety and convenience that only Traxxas can deliver.

EXTREME HEAVY DUTY UPGRADES

Extreme Heavy Duty components come factory-installed on BIGFOOT No. 1 for game-changing durability. Key drivetrain and suspension components are beefed-up with extra material for ultimate strength. From HD suspension arms to the upgraded axles, BIGFOOT sets a new standard for durability on your off-road adventures.

CLIPLESS REPLICIA BODY

BIGFOOT No. 1 comes Ready-To-Race with a beautifully detailed clipless replica body. Bright chrome bumpers, side trim, and roll bars stand out against the brilliant blue paint. A chrome front grille, replica KC lights, and dual-carb engine manifold complete the authentic look. Best of all, BIGFOOT's convenient hidden latching system replaces traditional body clips with clean lines.
