68277-4

Orange / Green

SLASH 4X4 ULTIMATE
1/10 4WD SHORT COURSE TRUCK
Velineon brushless motor (3500kV)
VXL-3s ESC
NiMH-3S LiPo (not included)

TOTAL PERFORMANCE

Slash 4X4 Ultimate's performance refinements begin with a dark charcoal graylow center of gravity chassis. Carve corners like a pro thanks to Slash 4X4 Ultimate's adjustable sway bars and ultra-smooth, PTFE-coated aluminium GTR shocks. Slash 4X4 Ultimate's agility and 4-wheel drive grip is further enhanced by its soft-compound S1 rubber tyres.

Assign Analog Controls

You decide which tuning feature you want the Multi Function Knob to control for easy adjustment as you drive.

INCLUDED WIRELESS MODULE

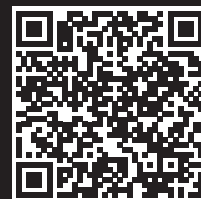

A Traxxas Link Wireless Module comes standard on Slash 4X4 Ultimate along with factory-installed telemetry sensors to unlock the full potential of the TQi transmitter. Adjust the transmitter's settings on the fly and record real-time telemetry data like speed, RPM, and battery voltage on your mobile device using the free Traxxas Link app.

ULTIMATE DURABILITY

The Slash 4X4 Ultimate comes fully loaded with aluminium upgrader for maximum strength and durability and they're color-matched to the body. Brightly anodized caster and steering blocks, axle carriers, and chassis stiffener look as good as they perform and give Slash 4X4 Ultimate the brute strength required for extreme driving.

- Clipless body mounting
- Aluminium PTFE-coated GTR shocks
- High-speed metal gear 2075R servo
- Larger heavy-duty driveshafts
- Heavy-duty suspension arms
- Traxxas stability management
- TQi 2.4 GHz high output radio system
- Traxxas Link wireless module
- Factory installed telemetry sensors
- Waterproof electronics
- Blue-anodized 6061-T6 aluminum C-hubs
- Blue-anodized 6061-T6 aluminum steering blocks
- Blue-anodized 6061-T6 aluminum rear hub carriers
- Blue-anodized 6061-T6 aluminum axle nuts
- Adjustable front and rear sway bars
- Up to 60+ mph with 3s LiPo and optional gearing
- Sealed ball bearings
- Rust-resistant black oxide coated hex hardware
