

## TRX-4 UNASSEMBLED KIT

1/10 4WD SCALE & TRAIL

**Titan 550 brushed motor** Reverse Rotation

**XL-5 HV ESC**

**NiMH-3S LiPo** (not included)

**£499.95**

**82216-4-R6**

Clipless Unassembled Kit

### EASY ASSEMBLY INSTRUCTIONS

The TRX-4 Chassis Kit includes a full-colour instruction book that's easy to follow and fun to use. Each section corresponds to a labelled bag with step-by-step assembly instructions. True-to-scale part illustrations and ruler charts make it easy to differentiate between different screws, bearings, and gears.

### READY TO ASSEMBLE

The TRX-4 Chassis Kit arrives ready to assemble with a full-colour instruction guide, TQi 4-channel 2.4 GHz radio system, and complete waterproof electronics including servos, XL-5 HV ESC, and Titan 21T motor. Key parts like shocks and suspension links come pre-assembled to make building easy and fun.

### CLIPLESS BODY MOUNTING

Clipless body mounting makes it easy to customise your TRX-4 kit with any accessory Traxxas 312 mm wheelbase body (sold separately). The hidden latching system provides clean, flowing lines for maximum scale realism. On the trail the clipless body holds tight when you need it, but release in just seconds to access the chassis.

- Steel geared portal axles increase ground clearance, eliminate torque twist, improve axle geometry and reduce strain on the driveshafts
- Innovative rigid steel frame design allows four wheelbase positions (300 mm, 312 mm, 324 mm, 336 mm)
- Full-time shaft driven 4-wheel drive
- Remote locking steel gear differentials
- Cruise control feature for extended trail driving
- Accepts full-size long battery packs
- Integrated compartment accepts smaller 1/16 scale batteries (with optional strap)
- Remote shifting two speed high/low range transmission
- Chassis mounted 2075X metal gear digital servo
- Superior 45° steering angle
- Pre-assembled aluminium GTS shocks
- 1.9 inch Canyon Trail tyres with trail-tuned foam inserts
- Tough black scale wheels
- Sealed ball bearings
- Hex hardware with rust-resistant black oxide coating
