## Perfect for Special Presentations.

We chose the legendary Cat® D11T Track-Type Tractor as the first model in the Diecast Masters Commemorative Series because we saw its value as a highly appreciated gift for special presentations, as well as for general collecting.

Recessed into the mirrored base is a plate engraved simply "Cat® D11T Track-Type Tractor" on its upper surface. This plate is also removable and reversible, allowing customers to place their own custom message on the other side. They might, for example, say "Thanks, Bob Smith, for Your Service" and present the model as a retirement gift.

The model features heavy diecast construction, metal moveable tracks, adjustable blade and ripper, and detailed cab.
